*Review and possibly recommend to Council for public hearing and adoption.*

At the end of 2015, some property was annexed to the city that is part of the municipal airport. This property has been owned by the city of many years, but had never been properly annexed. County Treasurer Hawkins asked us to take procedures to clean-up this area so the properties appeared correctly on the tax and assessment rolls. The annexation was reported to the state, which triggered a series of phone calls to myself and County Clerk Doyle. Even though there are no residents living on the airport property and the airport property has never been assigned to a ward, aldermanic district, or county supervisory district, we were told this now needed to be done to comply with state statutes.

This ordinance creates a new ward 10 for the airport property and includes ward 10 under the 1st aldermanic district. The adoption of this ordinance should take care of the concerns raised by the state.
