Proof of Notice from adjoining property owners

I have spoken with the property owners on 13th street about my plans to have the street closed during Cheese Days 2016. I have shown them a diagram and discussed what will be taking place that weekend. Below are the signatures of those property owners.

Dan Gelbach

Adam Bansley

Gary Olson (President – Minhas Brewery)

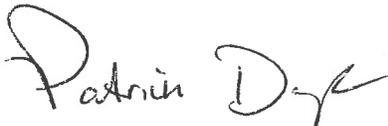

Gary Olson also expressed that the road closure works well with the brewery tours that will take place that weekend. They expect to have a record turnout and will have a lot of foot traffic in that area. Without cars passing thru 13th street people will be able to safely move around the brewery area.

Thank You,

SUPPLEMENT TO APPLICATION FOR OUTDOOR BEER GARDEN

DATE: June 29, 2016

**To: Monroe City Council & City Clerk
1110 18th Ave
Monroe, WI 53566**

RE: Application for outdoor beer License by Green County House, Inc.

I hereby request permission to amend the licensed premises for the Green County House, Inc., located at 1301 15th Avenue, to include an outdoor beer garden area, described as that area extending north from the northwest corner of the building located at 1301 15th Avenue, to the north curb line of 13th Street and extend westerly to a point approximately 82 feet. The fenced-in area would be approximately 44' 6" from the building to the north curb line.

I am requesting that the permit for the outdoor beer garden be for the period of September 16th, 2016 at 11:00 AM, through September 18th 2016, at 11:00 PM.

I am requesting that the street will be closed on Thursday at 4:00 PM for setup of the Tent, Fence for Beer Garden, etc.

I am further requesting that the sidewalk and street which is within the fenced-in area for the beer garden area be closed to pedestrian and vehicular traffic. Pedestrian traffic would still have access along the north terrace of 13th street, which is approximately 13' in width.

A diagram of the proposed area for the outdoor beer garden is attached along with pictures of the tent and closed off area from the previous 3 cheesedays events.

The beer garden area would be enclosed by a 3' high fencing, which would form a barrier that would isolate the beer garden from non-alcohol areas. There would be a single point of entry to the beer garden near the building which would be monitored by a licensed operator, or there would be a licensed operator present in the beer garden area.

Signage will be posted to warn that alcoholic beverages shall not be passed over the area's barriers or removed from the licensed area.

Applicant agrees to name the City of Monroe as a named insured on its liability policy, with liability limits of \$1,000,000.00. Mihn's brewery and adjacent landowners are not opposed to the street closing.

Sincerely,

Patrick Doyle
President, Green County House, Inc.
