Guidelines and Requirements for Outdoor Beer Gardens

An outdoor beer garden is defined as an open air, roofed or unroofed area, where beer and/or other alcoholic beverages are served or consumed, whether permanent or temporary, and whether on private or public property

Application is made to the City Clerk and then also reviewed by the Police, Fire, and Building Inspection Departments. The application is then referred to the License Committee for review taking into consideration recommendations made by City staff. The License Committee will then refer and make recommendations to the Common Council for final approval of the application.

Guidelines and Requirements – All:

1. Must attach a detailed diagram of the proposed beer garden area that specifically describes the dimensions and the relationship to any other licensed area.
2. Area must comply with all state and local building and fire codes regarding such things as exits, exit lights and capacity and is subject to inspection by the Fire Inspector.
3. All emergency exits shall have a gate(s) which swing to egress and must swing free and clear of any public sidewalk, unless the special event beer garden or license extension area is temporary and has acceptable, non-gated open exits that have personnel stationed at each. Gates must include approved latch hardware, which shall be mounted only on the inside.
4. Beer garden location must comply with any regulations regarding vision clearance and sight triangles so as not to be a traffic hazard.
5. Beer garden area must be enclosed with no less than 3 feet high chain link, wood, concrete, plastic, rope or wrought iron fencing, or other approved material which forms a barrier that will isolate the alcohol area from non-alcohol areas.
6. Must have adequately displayed signage warning that alcoholic beverages shall not be passed over the area's barrier or be removed from the licensed area.
7. Must have access plan for fire and other emergency services which must be approved by the Fire Chief.
8. License holder is responsible to know the occupancy and capacity limits for the

area and must exhibit a plan with an approved system or device to monitor this.

9. License holder is also responsible to show a plan of responsible service that will prevent service to intoxicated persons as prohibited by Wisconsin Stats 125.07(2).

10. All entry points must be monitored by an adult employee or security personnel. If fire and building code regulations require entry points to be more than (4) feet in width, they must be monitored by at least 2 adult employees or security personnel.

11. Licensed operators must be present at all times to oversee the entire beer garden area. These licensed operators can be stationed inside main bar area of existing premises only if entire beer garden area can at all times be viewed and monitored from this inside area.

12. Other reasonable standards may be required by city officials based on specific situations.

13. Other permits may be required such as dance licenses, amplified sound permits, background music permits, or special event permits. You must submit application for these licenses and permits along with the beer garden application.

Additional Guidelines and Requirements if using Public Property:

1. Must give notice to adjoining property owners located on each side of proposed beer garden and those directly across the street from beer garden location and provide city with proof of notice.

2. Must include a certificate of insurance for \$1,000,000 general liability naming the City of Monroe as additional insured

3. Storm sewer inlets must covered with a permeable material to prevent trash and other materials from falling into the inlet, but allowing for potential precipitation to enter.

4. Must submit fee of \$25.00 per day for use of public property

5. Beer garden area must be no wider than one side (street frontage) of an existing licensed premises if being issued as a temporary extension to a current holder of a regular alcohol beverage license. "L" shaped configurations are discouraged and most likely not approved.

Additional Guidelines and Requirements if Permanent Beer Garden

1. Can only be issued to a current holder of a regular alcohol beverage license

2. Beer garden must be contiguous to currently licensed premises

3. No public property may be utilized unless applying in conjunction with a

sidewalk café permit allowed only in the downtown area.

Additional Guidelines and Requirements if issued in conjunction with a Temporary Class "B"/"Class B" alcohol beverage retailer's license for picnics or gatherings

1. Must submit application for Temporary Class "B"/"Class B" Retailer's license and follow additional guidelines and restrictions (*See Exhibit A*)
2. Must pay fee of \$10.00 per license per event

Additional Guidelines and Requirements if issued to the current holder of a regular alcohol beverage license

1. Must be direct access into existing premises from beer garden area
