2016 Public Works Power V- Plow Quote Results

Listed below are the received quotes for a 2016 Power V- Plow. The proposed units were evaluated as to how they exceeded the specifications and how their respective prices reflected this. This unit will be installed on the second Wheel loader and be used to plow snow on the square, cul-de-sacs, parking lots, and snow route locations. This item is budgeted for and has been included in the Capital Bonding. We propose purchasing the Monroe Truck Equipment v-plow for \$18,681.00 with listed options. The Bond has \$25,000 set aside for this piece of equipment.

	Delivered Cost
Monroe Power V-Plow	\$18,681.00
Henke 12" Loader Plow	\$ 21,530.00
