**All responses may be modified by Command**

**Implementation:** This response profile policy has been approved by the Officers of the Monroe Fire Department and the Monroe Common Council. This policy, and all adopted procedures, provide a guideline for operations within the Monroe Fire Department. Adoption of these guidelines in no way restricts the incident commander, department administration or the Monroe Common Council from modifying operations or implementing exceptions to policy in the interest of safety, efficiency and harmony within the organization. It shall remain in effect until withdrawn or modified by the department.
